Recreation Center

605 Calkins Road

The days are growing longer and here at Henrietta Parks and Recreation, we're looking forward to a summer filled with fun and new beginnings. I'm excited to say that Riverton Oaks Municipal Golf Course will be opening under Town management on Tuesday, May 7. Over the past year, the Golf Course Superintendent and groundskeepers have worked on improvements to the property. Town staff and administration have labored to keep costs under control as the Town brings Riverton Oaks up to par, and the Town Board is committed to keeping fees affordable for Henrietta residents. We're also looking forward to reopening the popular disc golf course at Riverton Oaks. It's been a long journey but it will all be worth it when we see golfers, and disc golfers, return to the course.

For basketball, pickleball, and tennis players, we know that you'll be enjoying the newly renovated sports courts in Veterans Memorial Park this summer. Although the courts opened in the early fall of 2023, it will be wonderful to see a full season of play, both during the day and under the lights. Last fall, the Town invested in improvements to the softball fields and multipurpose field in Veterans Memorial Park. This summer, teams will play on newly sodded, laser graded fields, with new LED lighting.

This spring and summer will also see the construction of the long-awaited splash pad in Veterans Memorial Park. In November 2023, the voters approved a resolution, allocating funds for purchase and construction of the splashpad and on March 7, 2024, the contract was awarded to Vortex. We can't wait to get started on this project and we're so looking forward to seeing happy children enjoying the space.

Of course, it's not all new. Each summer, the Recreation staff looks forward to offering fun-filled children's programming and events for the whole family. Stop in at Veterans Memorial Park to visit the Market in the Park and check out one of the rockin' bands at the Summer Concert Series. And don't miss the July 4 Celebration.

Find something fun for the whole family here and never stop chasing your summer!

-Pam Grundman, Director of Parks and Recreation
