Henrietta Parks Information

Welcome to 2026! It's hard to believe that the Henrietta Recreation Center has been open for nine years. The community response has been tremendous and we've seen growth in participation across the board. The gymnastics program has grown to over 500 participants per session, preschool programs are full of smiling children, and both youth and adult sports programs are booming. It's wonderful to walk around the Recreation Center and see every space in use, each with a different activity.

In addition to support from the community, we've also received help from many hard-working volunteers, backing from both the Parks and Recreation and Youth Advisory Boards, the strong support of every Town Board since the Recreation Center opened, and the dedication of a staff of professionals who love what they do. In the past two years we have been fortunate to have the assistance of the newly formed Friends of Henrietta Parks and Recreation. The Friends group helps to grow the mission of the Department through fundraising, volunteerism, and community promotion. We appreciate their support and know that we will succeed together.

Of course, these past nine years haven't been without their challenges, such as COVID closures and increasing staffing and supply costs. The staff works hard to keep to maintain costs, but this year, for the first time, there will be an increase in Recreation Center membership rates. We hope that you appreciate the value of membership and continue to frequent the Henrietta Recreation Center.

Looking forward, 2026 promises to be an exciting year in Henrietta. In January, we'll be bringing back the popular Hamster Ball Races event. In April, the Youth Development Advisory Board will be celebrating the 50th anniversary of the Rush-Henrietta Youth Hall of Fame. This summer, we'll be kicking off the Summer Concert Series in the new permanent bandshell in the park. On July 4, the Town will be hosting a huge bash commemorating the 250th anniversary of the USA. There are also planned improvements to the playground and restrooms at Tinker Nature Park. And, later in the year, the Town will unveil an expansion of the Henrietta Senior Center, with increased dining and kitchen space. It's going to be another busy year!

Thanks to all of you that join in our programs and events. We trust that you will find something fun to do in the pages of our Winter and Spring brochure. Best wishes for the New Year to you and your family!

-Pam Grundman, Director of Parks and Recreation
