## Recreation Center

605 Calkins Road

Several staff members and I recently attended the Annual Conference of the Genesee Valley Recreation and Parks Society. Each year at the conference, there is an awards ceremony. Our own Nicole Bubel, who works full time at the Senior Center, was this year's recipient of the Young Professional Award. Congratulations to Nicole. She's truly a part of what makes the Henrietta Senior Center such a great place. If you've been thinking of finding out more about the Senior Center, give them a call. They'd love to tell you more about it.

If you frequent the Henrietta Recreation Center, you may have noticed that we've recently had some staffing changes. The faces are changing but you'll still be greeted with a smile and a friendly hello. The Assistant Director, Craig Ross, will be moving on to a new opportunity outside of Henrietta. Craig has worked for the Town of Henrietta for ten years and he has been a tremendous leader and mentor to the younger staff. During his time in Henrietta, he established relationships within the community, developed new programs, and brought energy and organization to everything he did. He will be sorely missed, both as a coworker and a friend, but we wish him well in his new endeavor.

Jordan Turner will be taking on many of Craig's responsibilities. Many of you know Jordan from all the cool programs he runs, like Recess Camp, Nintendo Club and Lego Master League. Jordan was recently promoted to the position of Recreation Supervisor. But don't worry. Jordan won't be spending all his time sitting behind a desk. He'll still be actively involved in programming and events.

The Recreation Center is also changing gears with the change of the season. With the coming of spring, thoughts turn to outdoor activities, such as outdoor sports, hiking and gardening. Did you know that the Town of Henrietta has a Community Garden? The garden is located across the road from the Tinker Nature Park. The garden consists of forty-eight 12' x 4' raised beds and several smaller beds for those just starting out. It's all surrounded by a ten-foot fence to keep the deer out. There is also a 'pumpkin patch' outside the fence for the more adventurous gardeners. The Town supplies mushroom compost for inside the beds and wood chips for around the raised beds. Interested? The season is almost here but there are still a few garden beds available. The gardeners are friendly and always eager to offer tips to new gardeners. It's a great way to spend the warmer months and you'll come away with some nice fresh vegetables.

*-Pam Grundman, Director of Parks and Recreation*
